(<https://www.artimpactinternational.org/urbanization-and-health-art-exhibition>) This show opened on March 2022 and will run through May,31 2023. This exhibit brings light to health in urban poor communities. The second non-profit collaboration was with Youth For Human Rights International. "War or Peace? International Art Exhibition and Global Competition" opened on September 21, 2022 in honor of the International Day of Peace. The show is creating and increasing awareness about The Universal Declaration of Human Rights. How does War or Peace affect human rights? The artists present their answer through their artwork.(<https://www.artimpactinternational.org/war-or-peace>) The show runs all the way through May 31, 2023. "FEMME Champions International Art Exhibition" (<https://www.artimpactinternational.org/femme>) was launched in October, addressing the global challenge of gender equality and ran through February 2022. "Protect Habitat, Save the Planet" continued our work to bring together the different cultures using the artwork. This Global Art Exhibition and Competition creates awareness about our need to protect the natural habitats. Art with this topic in mind NOW generates stronger awareness in people, that protecting Earth's natural habitats will save our planet for FUTURE generations. We've invited artists from all over the world to create original artwork based on this subject. Here they are showcasing their talent to inspire the global public to remember and protect the Earth's habitats. (<https://www.artimpactinternational.org/protect-habitat-save-planet>). All the artists were commended with Certificates of Participation. We utilized 7 online 3-D virtual art gallery exhibition spaces to make these works beautiful, accessible, and convenient to everyone, no matter their location or time zone. We benefitted twice the number of artists with these gorgeous virtual platforms. These group shows presented, 261 artists representing 50 countries, with double the works of art, 429. We had attendance of over 360 registered Zoom attendees to the 9 special events (gallery talks, tours and interviews) with artists. These virtual exhibits facilitated artist promotion, exposure and networking. This year we had 18,707 unique visitors to our main international website. Artist career-building included website and social media promotion and 4 hard copy and digital exhibition catalogs published and distributed. We continued to be known to 16,100 artists clicking on our Google Ads via AdGrant used across the entire year. These exhibition themes gave the artists, attendees and viewers an opportunity to consider their own stand on these global challenges.
