

Art Career Questions

Questions to Think About as You Develop Your Art Business:

- What is your current direction and focus?
- What is your message if any?
- What sets you apart from other artists?
- What are your challenges?
- What do you need to meet those challenges?
- What are your strengths?
- What are your interests and inspirations?
- Do your family and friends support and encourage you as an artist?
- How much time do you devote to creating your work?
- How much time do you devote to marketing and promoting yourself?
